Those who are interested should send their CV and a 100–150 word note by email to office@barindia.in. The note should explain how they believe they can contribute to and benefit from global excellence in law.

The submission should also include a declaration stating that the content has not been created with the assistance of AI, in order to enable a proper assessment of skills and aptitude. Please also note that all submissions will be screened through a system capable of detecting any AI-generated footprint in the submission.

As per BAI Code of Ethics close relatives / family members of BAI Office Bearers are not eligible to apply.
